2018

BUILT TO MOW THE DISTANCE
Experience is a great teacher. Each year brings a new crop of lessons and an opportunity to do what you do, that much better. The 2018 lineup of Gravely® lawn & garden equipment is our best yet. There’s a hundred years of performance packed into each of our models. We’re proud to share the longest lasting, most comfortable mowers we’ve ever made. And after a century of designing and crafting, that’s saying something.

**EVERY SEASON, GROW A LITTLE SMARTER**

YOU PUT YOUR MOWER THROUGH A LOT. All that back and forth and all those acres can add up to thousands of miles. That’s like going across the country. It’s a lot to ask of a mower. Gravely commercial mowers are built for all day performance. Helping you get the job done season after season and ergonomically designed to keep you comfortable mile after mile.
“SOMETIMES” and “MAYBE” won’t cut it. Promises have been made. Schedules must be kept. There are a whole lot of people depending on you to come through. And when you depend on Gravely, you’re banking on a century of clockwork performance.

EVERYTHING THAT GETS THE GRAVELY NAME HAS EARNED IT.

New designs are tested in no-holds-barred, 24-7 testing sequences at Sebring International Raceway. We’re mowing 24 hours a day, seven days a week to keep up with its sprawling grounds. Day-in and day-out, Gravely equipment is put through its paces. Not every idea makes it - but the ones that do will deliver performance worthy of our name and your toughest expectations.
You can’t meet Mother Nature half-way. Success depends on you imposing your will on the landscape 365 days a year. That’s why Gravely lawn care equipment is designed to overcome obstacles you and mother nature dish out. Each day we come to work ready to improve on the legendary reliability that’s been refusing to compromise for a century.
The proof is in the performance. Smarter controls, longer run times, lower maintenance, and more comfort. The Gravely Pro-Turn® series is raising the standard of professional performance. Experience the difference a century of craftsmanship makes.
