

GRAVELY

ZT X

BRING SOME PROFESSIONAL STANDARDS TO YOUR LAWN.

This is the residential lawnmower that's often mistaken for a commercial mowing machine. It's no surprise with its heavy-duty construction, professional features, and legendary Gravelly performance.

X-FACTOR® 11-GAUGE FABRICATED DECK

The 4 ½ inch-deep steel deck optimizes airflow and the reinforced sloped nose allows more room for grass to stand up ahead of the cutting chamber for our best cut ever on a residential machine. Caged anti-scalp wheels make your lawn less susceptible to damage from minor bumps and scrape.

ONE-PIECE, FULLY-WELDED TUBULAR CHASSIS

This chassis displays strength and durability with its closed tube frame rails and fully welded construction techniques influenced by our commercial applications.

TALLER AND WIDER SEAT WITH MOLDED ARMRESTS

Ready for the long mow! This seat is 22" tall to provide more back support and is mounted on a taller seat base to make it easier to stand up and sit down. Molded armrests give your arms rest too.

HYDRO-GEAR® SERVICEABLE EZT® TRANSAXLES

Serviceable transaxles have optimized cooling to ensure smooth running for years to come. Service ports allow oil changes to help extend the life of your machine.
